

Janzen Toyota Scion Donates to Payne County Youth Services

Payne County Youth Services was the recipient of a \$2,500 donation from Janzen Toyota Scion.

The Toyota Dealer Match Program in Princeton, NJ, has a matching grant program to which the Janzen group submitted an application on behalf of PCYS. That grant was awarded to PCYS in November.

"We are very thankful to Juergen Janzen and Janzen Toyota Scion for these two important donations", said Janet Fultz, PCYS executive director. "By making the initial donation and submitting the matching grant application, the folks at Janzen not only provided their own financial donation, but also brought other funds into our community. We are honored to have been selected by Janzen to receive this funding."
